Annual Report–Academic Year 2017–18

Matoshree Sumati Chintamani Tipnis College of Arts and Commerce, Mamdapur-Neral.
Annual Report 17-18

Education is the only key to success in personal and professional life. It provides various types of knowledge, ethics and skills in life. In this global and competitive world, students have developed such efficiency in which they seek out challenging careers in their life. There is a rising trend of rapid education in urban areas and it is seen in rural areas as well. There are still common problems exist and can be found in rural education. There are some villages where education is not given sufficient priority. Keeping in this mind, **Vidya Mandir Mandal, Mahim** took initiative and established education institution on June 13th, 2008 named as “**Matoshree Sumati Chintamani Tipnis College of Arts and Commerce**” at Mamdapur-Neral, Tal- Karjat, Dist- Raigad. Initially, at the time of establishment the College had received a bounty in the form of donation of Rs 21, 00,000/- from the noted architecture of Mumbai, Hon. Shri Jayantrao Chintamani Tipnis (Ex- President of the Vidya Mandir Mandal, Mahim).

A common problem of students in rural areas is being socially disadvantaged in terms of their economic and literacy background. The ethos of our founder is practiced by providing education to the poorest to the poor students in rural areas and most of them are first generation learner. We strongly believe in their overall development with emphasis on the scholastic as well as co-curricular activities like sports, music and performing arts, oratories and debate and writing. It is our honest intention to develop our students as socially responsible professionals through various activities.

The academic year 2017-18 started from June 5th, 2017. Each and every faculty member of the College is working with commitment and zeal to provide better and comfortable education to learners. College allows students to pay fees in easy installments as fee remission is provided to students pursue, complete their education and are not deprived of education. It also provides financial aids to needy and backward class students in the form of scholarship through student welfare funds.

To inculcate the environment consciousness amongst students, a program of preparing ‘Birds’ Nests out of Plastic Waste’ was organized by National Service Scheme Unit of the Institute. In this Program, the institute provided habitats to the migrating birds. After collecting empty water bottles by students, NSS volunteers prepared fifty water bottles in rectangular shape. Some grass was put inside the bottles and were hanged on the branches of trees in such a way that it would have enabled small birds to enter in those plastic bottles so as to create homes for them. Birds may reside in such bottles for longer time irrespective of rainy season, heavy breeze etc. This activity was organized and conducted to spread awareness and to give a message to the society about recycling plastic waste, bird friendly

and environment friendly activity. This activity enables birds to protect their habitat. It also helps to avoid migration of birds, because birds are useful in spreading seeds (to nurture plants) all over the world.

Students also participated during time of Ganesh Festival on the Visarjan Day (immersion of Lord Ganesha) to collect and to remove plastic bags carefully from the Nirmalya (flower tributes) deposited in Nirmalya Kalash. Plastic bags were given for recycling at Scrap Shop.
