Summary Annual Report-2023-24

There are numerous academic as well as social initiatives being conducted in our college. A few of them are as follows:

Shelter for Birds:

On June 5, 2023, the National Service Scheme (NSS) department commemorated World Environment Day with a special activity called "The Shelter for Birds." In collaboration with the Forest Department of Neral, the college received 70 nests for birds. NSS volunteers initiated the program by placing these nests on trees surrounding the college campus.

Tree Plantation:

Tree plantation was carried out in the college campus and surrounding areas by the forest department and our college's joint efforts.

Blood Donation Camp:

Blood donation is the real act of humanity. A blood donation camp was organized through the joint initiative of the local police station and the college's NSS unit. In this camp, 43 units of blood were collected and donated to the local hospital.

NSS Residential Camp:

"I am not only for myself but also for society." With this motto, a seven-day residential camp was conducted in the villages of Anandwadi, Mograj, Tal. Karjat. During this drive, the village was cleaned and awareness was spread among the villagers about the importance of cleanliness.

New Voters' Registration & Awareness Campaign:

India is considered the world's largest democracy. January 25 is celebrated as National Voters' Day. Citizens who have completed 18 years of age must register to vote. During this, a "Voters' Registration Awareness Rally" was organized in Mamdapur village. In this event, 100 students were newly registered as voters.

Various arts, sports, literature, and cultural activities are conducted regularly in our college. Such efforts are promoted and covered by local media initiatives.
