The college is situated in Neral in the Raigad district. Education bestows a way of living life based on value. Education gives true shape to the future. Our college does sacred work by reaching Dnyan Ganga in the surrounding rural area of Neral. The college aims not only to give quality education but also all-round development. Our students have shown good success in the field of arts and sports. Students' hard work, principal and teachers very good guidance, as well as management support, contributed in their success.

Shree Jayantarao Tipnis donated a sum of 21 lakh rupees to Senior College in memory of his mother, the late Matoshree Sumati Chintamani Tipnis. Consequently, the Senior College was named 'Matoshree Sumati Chintamani Tipnis College of Arts and Commerce'. The college primarily focuses on educational activities for students from backward and rural areas. It also extends financial aid to needy and backward-class students through the Student Welfare Fund.

Teachers incorporate information and communication technology (ICT) and other visual aids into their teaching methods. Our college always remains committed to fostering a learning environment that prepares our students for success and empowers them to become responsible citizens. The NAAC grade of the college with a B grade is the remarkable achievement. Our college gives students wings of knowledge to fly in the sky of the world.
