Competitive Examination Cell

Annual Report - Academic year 2021-22

The Competitive Examination Cell aims to guide and motivate students for various competitive exams like UPSC, MPSC, and Banking. It organizes orientation programmes and expert lectures to provide proper direction, improve preparation strategies, and encourage students to achieve success in their careers.

• Date: 09 July 2021

Activity: Orientation Programme

The Competitive Examination Cell organized an orientation programme. Mr. Vaibhav Borade, Head of the Cell, delivered a lecture highlighting the importance of competitive examinations and guided students about career opportunities through such exams.

• Date: 16 July 2021

Activity: Guidance Lecture on Competitive Examinations

The Cell organized a guidance lecture on competitive examinations. The keynote speaker, Mr. Santosh Jamghare, effectively explained the process and strategies required to become an officer, motivating students towards civil services.

• Date: 29 July 2021

Activity: Lecture on Importance of Mathematics

A lecture was organized by the Competitive Examination Cell where Mrs. Mamata Sonawane spoke on the importance of mathematics in competitive examinations and how it plays a crucial role in scoring.

• **Date: 11 August 2021**

Activity: Lecture on Importance of History in Civil Services

Prof. Anant Gharat delivered an insightful lecture focusing on the significance of the History subject in civil services examinations and its relevance in understanding administrative systems.

• **Date: 21 February 2022**

Activity: Lecture on Civil Services Preparation

The Competitive Examination Cell organized a lecture by Prof. Nitin Torane, who guided students on effective strategies, planning, and preparation techniques for civil services examinations.
